Uproar Flares In Commons

OTTAWA (CP) — Marvel rules Bourbons! Mr. Bourbons said that if Bourbons threw the Commons the League government is to be an upstart today with an elected it will transform Quebec into the largest net-lease government and its work of patronage in North America.

He said Premier Fidel Castro shouting to be heard above the interjections of Liberal MPs Resources Minister Heppel from Quebec, he said the League was attempting to open the door to Communism to form a leftist and socialist infiltration in this country.

Speaker Marcel Lambert, starting at his Liberal heckler, warned Mr. Bourbons three times, Mr. Bourbons shouted times against discussing "It is your fault if there are vicious politics" after several 26 Social Credit members from Liberal MPs rose on points of order here. The next time order to discuss infractions of the there will be 60.

Rain Beats World Series: Play Again Tomorrow

NEW YORK (AP) — The fifth hour. It will be played Wednesday game was postponed today because of rain.

The postponement was the first in a series since Oct. 4, 1956 when the second game of the New York Yankees-Brooklyn Dodgers series was washed out in Brooklyn.

Soblen Used Secret Pocket To Hide Drug

LONDON (AP) — A Scotland Yard detective said today Dr. Robert Soblen apparently knocked himself into a fatal coma Sept. 6 with a drug hidden in a secret pocket of his trousers.

"I have found no evidence that he was assisted by any person," Superintendent James McKay told an inquest into the fugitive spy's death.

McKay said the drug used is known as lodesate and manufactured only in the United States. He added that it was not on sale in retail stores anywhere and that a cellophane packet of the drug found in Soblen's clothing was of a type supplied by manufacturers to doctors as free samples.

Soblen, 61, collapsed in an ambulance taking him from Brixton Prison to London Airport. He was to have been deported on a New York-bound airliner to the United States, where he faced life imprisonment as a spy for the Soviet Union.

The ambulance took him to Hillingdon Hospital near the airport. He died five days later without regaining consciousness.

No Talks Now On Columbia

OTTAWA (CP) — External Affairs Minister Green said today there are no talks going on at present over the Columbia River question.

He was asked by John Davis (L — Coast-Caplan) whether the federal government was represented at talks now being held in the United States on the question of the sale of the river's downstream benefits.

Mr. Green said the government had been represented at earlier talks, but that there were no meetings at present.

Tensions Arise Again On 'Ole Miss' Campus

OXFORD, Miss. (AP) — A flying rock and a crowd of jeering students renewed tensions on the University of Mississippi campus after Negro James Meredith's second week as a student began in comparative calm.

The incident occurred at the university cafeteria Monday night, after Meredith arrived for dinner. No one was hurt but some broken glass sprinkled on the 23-year-old Negro's table.

In front of some 270 students jeered and shouted.

Earlier, Meredith attended classes without having to walk through crowds of booing students, a sharp contrast with last week. Two marshals trailed him about 40 feet behind.

Meredith's day went quietly until dinner.

At lunch, only one lone cry of "hi blackie" broke the silence outside the cafeteria. Inside, some 100 students appeared to pay little attention to Meredith.

The girl was suspended from Springfield Township High School Sept. 24. Her father said she could wear either slacks or pedal pushers in gym classes. This didn't satisfy school officials.

REPORTS TODAY

The suspension first was ordered by James Stone, the high school principal. He was supported by Superintendent Charles Rieger, who said:

"A passage in the state code says religious beliefs of parents are not sufficient ground for excuse from reasonable regulations of boards of education or requirements of school authorities on what type of clothing shall be worn when taking classes."

Stone must report to Rieger today on whether Miss Bushong still refuses to wear shorts. Rieger then could expel her subject to special review by the board. The expulsion motion was offered by board president Norman Ott, who asked board members if they opposed the school policy of shorts for girls in gym classes. None did.

Judy also refuses to wear lipstick because "God made my lips the color he wanted them."

Gov't Defends Austerity In No-Confidence Hassle

EXPENSIVE BLAZE

A tank truck with 1,000 gallons of gasoline aboard, burst into flames at Albion, Mich., as it discharged its cargo at a filling station. Driver George Pepin was seriously burned.

and one fireman was overcome by fumes in the fierce battle to control the flames.

It is not known what caused the fire. A small building and two other trucks were destroyed in the blaze.

UAR Aids Yemeni Rebels As Loyal Troops Move Up

ADEN (AP) — Troops and planes of the United Arab Republic are bolstering the revolutionary regime in Yemen amid signs of an approaching fight with forces seeking to restore the monarchy.

Royalists claimed their forces were advancing in a two-pronged drive to surround the revolutionary capital of Sana'a. They said they encountered negligible resistance. There was no confirmation of the report.

Western correspondents on a weekend visit to Yemen saw ample evidence of expanding U.A.R. military assistance to the revolutionary regime.

U.A.R. troops and planes guarded Sana'a's airport. Squads of U.A.R. officers and instructors were seen outside the massive government building and more were unloading from a U.A.R. ship at the port of Hodeida, 100 miles away.

"We do not care if there is a threat," the rebel premier, 40-year-old Col. Abdullah Sallal, told the reporters. "We can depend on ourselves and our friends."

The U.A.R. Middle East news agency said 10,000 volunteers were being armed in Yemen's three key cities—Sana'a, Ta'izz and Hodeida.

Sallal said the rebel regime has the backing of the Yemeni army of 20,000, including the national guard, and sufficient Soviet and Czechoslovak arms to withstand attack. Communist countries tendered considerable aid to Yemen under agreements with the previous regime.

The army has T-34 tanks and other heavy equipment. The fledgling air force has Soviet MIG 17 fighters and Ilyushin 10 bombers, with more on the way. Yemeni pilots are training in Italy and Cairo, and virtually every plane has a Soviet crew. A squadron of Second World War Russian Yaks is awaiting repairs.

Man Killed In Knife Fight

LAC LA PACHE, B.C. (CP) — Bawa Singh Shanga, 32-year-old lumber worker, is dead and another man is in hospital following a weekend knife fight in a sawmill bunkhouse in this Cariboo community.

Raghu Singh Maan was described as in good condition in hospital in Williams Lake. He suffered a knife wound in the abdomen.

Police said they arrested a man in connection with the stabbing which occurred early Sunday after a violent argument at the Northern Studs Co. mill.

Woman Hunter Shot To Death

PRINCE GEORGE (CP) — A Prince George woman was found dead from a shotgun wound in the neck Monday. Police, who withheld her name, said the wound was apparently self-inflicted.

The woman, about 50, was found near Clucul Creek, about 40 miles west of here.

ENDERBY YOUTH OF 16 DIES GOING HOME AFTER DANCE

ENDERBY (Correspondent) — A 16-year-old Enderby youth was killed near here Sunday when the car in which he was riding went out of control and plunged off the highway into the Shuswap River. Dead is Ken Larsen, son of Mr. and Mrs. C. Larsen of Enderby.

Three other youths in car escaped injury when the car slipped from the road and landed in 10 feet of water. The four teenagers were returning from a dance in Mara when the accident occurred about 1:30 a.m. Sunday. An inquest has been ordered by Coroner G. G. Ellingson. Funeral services will be held Wednesday.

Group Of 'Sons' Returns To Nelson For Court Case

NELSON (CP) — A group of Sons of Freedom Doukhobors have returned here from Hope seeking to have a charge brought against former sect leader John Lebedoff of Wynn-dell, near Creston.

The group includes four men and a woman who began their action last month. They were expected to appear today before Magistrate Williams Evans to testify to affidavits alleging certain unspecified unlawful of fences said to have been committed against them by Lebedoff.

The group seeks to have Lebedoff arrested to face the charges. Their affidavits were filed out some time ago and were sworn here. They were taken to the RCMP but were not acted upon. Later they were forwarded to RCMP headquarters in Victoria but were returned without action because of insufficient clarity regarding the alleged offence.

The Doukhobors resume the matter before Magistrate Evans who said he wished to see the complainants in person before making a decision. The magistrate has power to order the RCMP to carry out the intent of the affidavit.

Actions 'Quite Legal': Vital Vote Due Tonight

OTTAWA (CP) — Justice Minister Fleming, former minister of finance, declared in the Commons today the government's exchange protection measures introduced after the June 18 general election by order-in-council were all soundly based on legislation passed previously by Parliament.

He spoke in the Commons servative government had been throne speech debate in rebuttal to a non-confidence motion moved Friday by Liberal economist Allan J. MacEachen, MP for Inverness - Richmond, and special adviser to Opposition Leader Pearson.

The motion, on which the Commons is scheduled to vote tonight, claimed the government's austerity measures amounted to imposition of taxation without parliamentary authority.

Mr. Fleming said the government exercised power contained in the Customs Tariff Act and the Financial Administration Act to impose surcharges on imports. It used the Export and Import Permits Act and the Bretton Woods Agreement Act to limit the entry of duty-free goods brought to Canada by returning tourists.

"On the subject of validity and legality," Mr. Fleming said, "the government proceeded on the highest advice of the law officers of the Crown."

He identified the legal authority as Deputy Justice Minister E. A. Driedger.

RECALLS LIBERAL ACTION

Mr. Fleming contrasted the Conservative government's imposition of the 1962 program with that imposed by the former Liberal government in 1947 to overcome exchange difficulties.

He said the course of the Conservative government had been "clear and lawful," but the former Liberal government had imposed special taxes only on a promise to bring in validating legislation later, and had turned to threats a promise that the old Foreign Exchange Control Act would be used only to control movement of capital.

"The taxes then imposed... were clearly illegal and were collected for weeks and months before they were validated by retroactive legislation."

The government saw no need now to introduce legislation to cover the program introduced on June 24 this year.

'Hunted Man' Freed Here

TORONTO (CP) — Local immigration officials today released a Pole who has been ordered deported pending a review of his case by officials in Ottawa.

Tadeusz Siplinski, who says he has been hunted through five countries since dynamiting a Communist ship in 1949, was released on his own bond after pleading for asylum. He had been ordered deported at a Winnipeg immigration hearing June 15, 1960.

DELEGATE HECKLED

More Fireworks Likely In UN Debate On Cuba

UNITED NATIONS (CP) — United Nations delegates looked for more fireworks over Cuba in the General Assembly today.

They started Monday with the speech by Cuban President Osvaldo Dorticos demanding that the UN condemn an act of war any U.S. blockade of Cuba. It touched off a clash of demonstrators outside the UN buildings.

At the outset of his speech, Dorticos was heckled by cries of "murderer" and "degenerate" from spectators in the galleries, even though they were closed to the general public. All those admitted held tickets issued to them by UN delegations.

But loud applause, led mainly by Soviet UN employees who attended the session, also punctuated the speech.

U.S. Ambassador Adlai Stevenson, challenged by Dorticos to guarantee by deeds and not words that the United States would not attack Cuba, took the floor briefly.

He said the Cuban leader attacked the United States with "unparalleled calumnies, slanders and misrepresentation."

At a press conference later, he said Dorticos' statements were "neither original nor true."

NAMES IN NEWS

'Silent' Bill Has Theory

William Semeniuk, nicknamed Silent Bill when he refused in 1954 to identify the underworld figures who tried to kill him during a narcotics war here, says Canada's drug traffic now is controlled from New York through Toronto.

The convicted drug-trafficker, now living in seclusion in Victoria, made this comment in an interview.

Andrew Condron, a former Royal Marine who was the only British serviceman to choose to remain in China after the Korean War, left here for home by air today, apparently fed up with his communist friends.

James B. Donovan, and Premier Fidel Castro are set to meet today for final talks on the release of 1,113 captives taken in the unsuccessful Cuban invasion.

Premier Khrushchev has congratulated the government and people of Uganda on the proclamation of the country's independence, the Soviet news agency Tass reported.

Pope John paid a half-hour visit to St. Peter's Basilica Monday night to inspect last-minute preparations for the ecumenical council opening there Thursday.

Judy Won't Show Knees So Expelled From School

AKRON, Ohio (AP) — Judy Rae Bushong, who feels exposing her knees in 45mm gymn classes is immoral, has been ordered expelled from high school for refusing to wear the bloomer-type shorts used by other girls.

Soon after the township school board voted unanimously last night to order Judy expelled if she doesn't comply, the 17-year-old girl said she would never agree to wear shorts because of her religious convictions.

Her father, Rev. Herbert Bushong, part-time pastor at the non-denominational Church of Soul's Harbor in Waynesburg, Ohio, said:

"I pay taxes that go to support the school and my daughter should be allowed to attend. Why should I have to pay tuition and transportation for her to go elsewhere?"

The girl was suspended from Springfield Township High School Sept. 24. Her father said she could wear either slacks or pedal pushers in gym classes. This didn't satisfy school officials.

REPORTS TODAY

The suspension first was ordered by James Stone, the high school principal. He was supported by Superintendent Charles Rieger, who said:

"A passage in the state code says religious beliefs of parents are not sufficient ground for excuse from reasonable regulations of boards of education or requirements of school authorities on what type of clothing shall be worn when taking classes."

Stone must report to Rieger today on whether Miss Bushong still refuses to wear shorts. Rieger then could expel her subject to special review by the board. Allies Decide 'No Action' On Berlin Wall But Kick

BERLIN (AP)—The Western allies apparently have decided to do nothing except protest the refusal of East German authorities to let a British Army ambulance go to the aid of a man shot just across the Berlin wall. The Russians refused to accept the protest Monday.

The East German action was seen as a blow to Western prestige in Berlin.

"Just one more slice off the Berlin salami," said one West Berliner.

Western officials were reluctant to predict what further action might be taken. From their remarks it seemed unlikely that anything would be done.

Some pointed out that the East Germans could halt all Western traffic unless the allies gave it armed escort. The allies did that with some military vehicles last October when the East Germans began stopping allied cars. The East Germans backed down after the Russians and the Americans each rushed tanks up to the wall.

Mayor Willy Brandt's Socialist party said Soviet vehicles should be banned from West Berlin in retaliation for the East German action.

DEATHS

By THE CANADIAN PRESS
Melbourne — Leonard Owen, 48, Australian speed boat racer, when his hydroplane overturned while he was trying to set a world water speed record.

Eureka, Calif. — Clem Miller, U.S. congressional representative, in a private plane crash.

"Slim Man" Sought In Blonde's Death

DUARTE, Calif. (AP)—Detectives are seeking a tall, skinny man as a suspect in the slaying Monday of a young divinity student's blonde wife and her two-year-old nephew.

Officers said someone attacked Mrs. Ruth Knudsen, 24, when she was cooking breakfast, raped her and then strangled her and the boy.

The Knudsen's four-month-old daughter, Pamela, was found unconscious in her crib, overcome by smoke from a pan of cereal left on the kitchen stove. She was revived and suffered no ill effects.

James Henry Knudsen, 23, a student at Aruna College, a Bible school, found the bodies when he returned home from a morning class.

The nephew, David Beattie, was dead in bed. He had bruises on the throat and police said he may have been killed because he cried out.

TODAY'S STOCK QUOTATIONS

TORONTO (CP)—The stock market opened on the downside in post-Thanksgiving Day trading today.

Although losses were mostly fractional in the main list, they were widespread across the board. Western oils took a breather after their furious trading pace late last week.

Industrials saw losses in a 1/4 to 1/2 range to Algoma Steel, Aluminium, Steel Company of Canada, Salada Foods and Canadian Imperial Bank of Commerce.

Canadian Oil dipped 1/4 while Power Corporation fell 3/4. Consolidated Paper continued to weaken, falling 1/2 to 35—lowest price this year.

Gainers included Atlas Steel and Oshawa Wholesale A, both ahead one point.

Canada Savings Bonds are easy to buy

If you're like many people, with a little encouragement you can save with the best of them. And new Canada Savings Bonds give a lot of encouragement!

They're available in amounts as low as \$50 to any Canadian resident—adult or child—up to a limit of \$10,000 per person. Estates, too, may buy.

One simple signature on the convenient Payroll Savings Plan where you work and a \$100 Bond can be yours for as little as 29 cents a day. You can also buy them for cash or on easy instalments at any bank, investment dealer, stock broker, trust or loan company.

Of course, you can cash your bonds at any time at any bank for full face value plus earned interest if you need

to. But if you keep them—the interest really grows. At maturity in 14 years, every \$100 you invest will be worth with accumulated interest \$172.50.

Buy new Canada Savings Bonds today—best ever!

EASY TO BUY · SIMPLE TO CASH · GOOD TO KEEP

Sprinkler Fails But No Fire Anyway

Kelowna Fire Department today is investigating the cause of the sprinkler system that failed to drop a drop of water.

About midday Monday city centre residents who weren't awake got that way in a hurry when the fire bell started to ring with a momentary persistence.

The call came through the alarm system from McGavin's Bakery on Ross Ave.

Investigating firemen found it was a false alarm but apparently triggered by the sprinkler system. However the sprinklers weren't out.

Fire Chief Charles Pettman said the morning it may have been some mechanical problem in the system but cause of the false alarm is still not known.

Weather Not Near As Bad As Others

While cloud and rain cover the Okanagan, with lower temperatures prevalent, this area isn't nearly as badly off as other parts of the province, especially the coast.

Recurring surges of moist air from the ocean are moving across the Oregon coast where heavy rains have occurred within the last few hours. On the lower B.C. coast over the weekend, rains and gale-force winds have been reported.

Occasional showers are prevalent in the interior, except in the north where considerable sunshine has been experienced.

Temperatures, which are ranging in this area from 35 to 50 degrees, are expected to remain in their present pattern.

Sunnyvale Show Set Tonight

Holiday Theatre, sponsored by Sunnyvale School for retarded children, is presenting "Pinocchio" this afternoon and evening at the Senior High School Auditorium.

Tickets for the matinee have been sold out, but some are still available and can be picked up at the door, for the evening performance which will commence at 7 p.m.

ANYONE FOR BEAR STEAKS?

What started out to be a deer hunting party early Monday morning wound up with the shooting of this 600-pound black bear in the Scotty Creek

area north of Ellison. Dave Hower, along with son Gary of 1822 Lequime St., spotted master Brian feeding on berries. Mr. Hower opened fire,

wounding the bear in the side. He then pumped another three bullets into the animal while it was wandering crazily about.

FRAUDULENT CONSTRUCTION

Judge Dismisses Claim Against Kelowna Couple

The British Columbia Supreme Court has ruled that a Vancouver investment company financed a fraudulent home construction firm in Kelowna.

Mr. Justice Craig Munroe said in a written judgment that despite the "incredibly stupid actions" of a Kelowna couple they are not liable for a debt to the Rand Investment Ltd. of Vancouver.

The judge found there was such a close connection between Home Craft Contractors Ltd., of Kelowna and Rand that the two were "engaged in a common business enterprise."

He dismissed a \$3,600 claim

brought by Rand against Ginter and Wilma Kwiatkowski of Kelowna.

The judge said the couple signed a contract with Home on June 27, 1961, when "three unscrupulous representatives" of the company told them their house was selected as a show-piece.

The couple was told Home would put new aluminum siding on the house for \$2,800 but said the amount would be payable at \$100 a month for 36 months.

But, because the house was selected to advertise the building material, the manufacturer would reimburse them for the cost.

The judgment said the couple signed the contract, and, apparently unknowingly, a credit application to Rand and a blank promissory note.

Then, after forcing the couple to agree to pay the money to Rand, the manager of Home collected \$2,800 from Rand.

The contract was later rescinded by reason of fraudulent and wilful misrepresentation by Home.

Peachland Clerk Takes New Position

Chesel R. Haker resigned his position as Peachland Municipal Clerk, this week, and has accepted the position of Secretary-Manager of the Kereemos Irrigation District.

He assumes his duties on December 1.

Mr. Haker has been Municipal Clerk since February, 1953, serving under three Reeves, ex-Reeve C. W. Hawkesley, for five years, ex-Reeve F. Ivor Jackson, for two years, and the present Reeve C. O. Whinton for three years.

Besides his duties as clerk he has served as fire chief, building inspector and municipal assessor.

His experience in irrigation work and problems dates back to 1944, during which time he has held the office of secretary of the Water Board of the Peachland Irrigation District.

Mr. Haker arrived in Peachland on August 31, 1951, with his parents. He completed his high school education here. Later he took a course in Municipal Law at UBC.

Hockey View 'Encouraging'

VERNON (Staff) — A spokesman for the Vernon Intermediate Hockey Club said today that the picture is "encouraging" for the formation of a good strong hockey club here this season.

"After the good turn-out last week for our first practice with chaps like Odle Lowe, Merv Blowski, Jim Moro, Johnnie and Alex Kshuba, Don James, Jim Tooley and former Juniors Perry Rennie and Harry Wynn, I think we will have little or no trouble giving the other teams in the league a good run for their money."

Also given a remand to Tuesday was John Hadikin of Lumby who pleaded guilty to impaired driving early this morning.

Hadikin was observed sleeping in his car on Rutland Road. He admitted to a previous conviction for impaired driving in Vernon in 1959. Const. Foreman

query about John Cecil Miller's occupation.

"Roughneck," said the Winfield man who was fined \$50 and costs with an alternative of 14 days after he pleaded guilty to fighting in front of a local hotel. (A roughneck is an oil driller, court was told.)

Also fined \$50 and costs was second half of the fight, Sidney Zarloff of Kelowna who also pleaded guilty today.

Const. Foreman said the two were scrapping while a crowd of about 20 looked on but didn't offer any assistance.

HANDCUFFED

Remanded for sentence to Tuesday after he pleaded guilty to striking his wife was Charles Marchand of Swets Bridge, B.C.

Teamster Strike Averted As Sun-Rype Offer Taken

Two Weekend Accidents Cause \$1,500 Damage

The weekend was a comparatively quiet one for RCMP in Kelowna, but two accidents reported caused considerable damage to cars involved, although no one was injured.

At about 5:15 a.m. Monday, a two-car crash on Highway 97 at Graham Road, Kelowna, caused \$1,000 damage at 8:40 p.m. last night.

Drivers of the cars involved, both of whom escaped injury, were Brian Lloyd Wilkins of Kelowna, and Benjamin Chorney of Rutland.

Police apprehended a motorist after a report that a car had been struck while parked near the Willow Inn Hotel at 12:50 a.m. today. Driver of the offending vehicle was found at 3:45 a.m. on Glenmore Road. He was due to appear in police court today.

Five-Cent An Hour Boost For Both Male, Female

A final offer by Sun-Rype Products Ltd. to the International Brotherhood of Teamsters, Local 181, has averted a strike by nearly 300 employees of the company in plants at Kelowna and Oliver.

The union, at a special meeting held on Sunday, voted 15 per cent in favor of accepting the offer of a five-cents-an-hour wage increase retroactive to Aug. 16 with another five-cent increase at the same time next year. The increase applies to both male and female employees.

Heavy truck drivers with the company will get a further four-cents-an-hour increase effective Oct. 1, 1962.

The agreement follows closely on the heels of last week's agreement with packinghouse workers in the Okanagan which terminates in August, 1961.

Strike A Blow This Week Strike A Match Safely

October 7 to 13 is Fire Prevention Week. This week is observed each year, in an attempt to educate our citizens in the ways of fire safety and thus cut down the annual toll in life and property.

That such education is necessary, is obvious from two facts: Fire in Canada in 1961, cost Canadians over \$127,000,000 in property loss and over 550 lives, of which over 200 were children.

Learn all you can about fire safety and put what you learn into practice—every day!

Here are some pointers from the Canadian Underwriter's Association that you will find useful:

Care with matches and smoking should certainly rank top of the list. These familiar objects are not so innocent when it comes to fire. Do you know that, last year, they caused one out of every four fires in the nation?

Because smoking and matches are so treacherous from the standpoint of fire safety, care with them should be your first consideration. You know how a cigarette is put aside while the smoker goes to answer a call at the door, or to look for the television program guide. It's so easy to forget—and so dangerous. Sometimes at a party, a cigarette tips off the ashtray and down out of sight in the upholstery. It can smoulder there unnoticed for hours. Later—maybe after everybody's "safe in bed"—fire strikes the unguarded home.

Of course, you know people should never smoke in bed. But smoking is equally dangerous in an armchair if the smoker feels the least bit drowsy. He may doze off and if he is fortunate he may be awakened by flames or smoke. Too often, however, the dozing smoker is rendered unconscious before he awakens, and so becomes another fire fatality.

Now a word about matches—if only people wouldn't be so careless about them. So often they toss a match into a wastebasket. That's an invitation to big trouble. And too often matches and lighters are left where they'll intrigue children, instead of being placed safely out of reach of those innocent hands. Children playing with matches often cause fires, but it's the adults, not the children, who are really responsible for such fires.

There's no doubt that it's the adults who are responsible for bad housekeeping, which simply creates fire hazards by the dozens. We permit trash to accumulate in attics and basements. Old newspapers, clothes and upholstered furniture are left lying around the house. Instead of throwing it out, we leave this rubbish there—handy fuel for many a big fire. A little systematic cleaning up of such odds and ends would prevent this type of fire.

And in the kitchen too, this bad housekeeping menace often shows up. Grease is permitted to accumulate on stoves and pans, where it can burst into flame readily. Incidentally, it's a good idea to keep a long-handled fork handy should a pan catch fire, in that case the blaze can be quickly extinguished by lifting a lid with the fork and covering and smothering the flame.

Another great cause of fire—one in five fires in fact, according to the Canadian Underwriters' Association—is the misuse of electricity. Some people use too many extension cords from their outlets and easily overload the circuit. They put in fuses that are

larger than the line was designed for. They run extension cords under carpeting and hang them over nails so the cords become frayed. Frayed wiring represents an open invitation to fire. If there is any doubt about the safety of the wiring in your home, call in a qualified electrician and have him check it out.

Even when the fire does break out, the toll in lives and property would often be reduced if people were familiar with the proper steps to take. Basically they are simple steps. First: get everybody out of the house! Then: call the fire department! Delay on either of these moves has often proved costly.

The best way to save lives in case of fire say the "Underwriters" is to have an escape plan already worked out. Fire strikes without warning and it tends to breed panic, unless people are disciplined to proceed from any part of the house to the nearest and safest exit. And to do this, the must know the way in advance. So don't delay setting up an escape plan in your house. Here's how it is done:

Figure out two possible escape routes to the ground from any upstairs room. This way, if one of the routes is cut off by fire, you will have an alternate exit. Every member of the family—and also visitors and babysitters—should be familiar with the escape routes. Remember, this is the way to save lives!

Suppose one night you are awakened by the smell of smoke. Don't dash to open the door of your bedroom. First, place your hand against the door. If it feels hot, it may mean that flame and hot or poisonous gases are already nearing the door.

If the door does not feel hot, brace the door with your foot while you open it slightly. Keep your head away from the opening. If the hallway seems to be cool and there are no flames or smoke pouring out the stairway, you may be able to use it as an escape route. However, if there is any question about safe passage, close the bedroom door, go to the window, and call for help. If there is a phone in the room, use it to call the fire department. Do not jump except as a last resort; you may injure yourself needlessly.

If it becomes necessary to jump, first drop bedding and pillows, or anything soft, to the ground to cushion your landing. Then, carefully lower yourself from the window sill to reduce the distance to the ground, and drop onto the cushioning.

People should never leave children alone in a house. When they go out they should be sure the baby sitter knows that in an emergency she should get the children out first, then call the fire department, and then notify the parents. Before leaving for their evening out, they should caution the baby sitter against letting the children play with matches or electrical appliances; tell her to keep the children away from the kitchen, if possible; and instruct her to look in on the children regularly to be sure everything is all right.

Fire damage to lives and property can be reduced by simple precautions. But each and every one of us must assume a share of the responsibility for fire safety if we are to put an end to this senseless suffering and waste. This week—Fire Prevention Week—is a good time to start.—(Canadian Underwriters Association)

THE INK OF THE GOOD NEIGHBOR

TO YOUR GOOD HEALTH

The Truth About TB

By JOSEPH G. MOLNER, M.D.

Dear Dr. Molner: We are a group of women in a TB sanatorium who would greatly appreciate a column concerning "cured" tuberculosis patients, as to activities and socializing with people when they resume their normal lives.

There are people who are ignorant of the facts, and a few actually embarrassed and insulted expatriates through their ignorance. Perhaps a few words from you would enlighten many who are not aware, or are unwilling to admit that we are perfectly safe. — M.B. AND OTHERS

Sometimes members of the medical and public health professions get downright discouraged. People on occasion have the darndest knack of being stricken deaf if they aren't interested. As when polio vaccine first was available, but people ignored it by the millions—until the outbreak of 1958. Then they scrambled for it!

It's the same with TB education. People are deaf to what we say until suddenly they have some personal interest in it.

Maybe your very true remark about ex-patients being embarrassed and insulted may make a dent, because people who don't understand TB can, indeed, be insulting without really meaning to be.

The truth is that an ex-TB patient is safer to be with, than the average person we meet. For among the average, some percentage of people are bound to be carrying TB that has not yet been recognized.

The ex-TB patient, however, not only has been taught how to prevent the spread of TB (covering a cough, etc.) but does not become an "ex-patient" until safe.

Only an "active case" can spread the disease—when the lung tissue is loaded with TB germs which work their way into the sputum and finally are sprayed around by coughing.

There are these five steps in making sure that a patient no longer is harboring active germs:

1—Daily sputum examinations under a microscope. When none is visible, the sputum is cultured to see whether germs still lurk and can multiply. (Animal inoculations sometimes may be added.)

2—Then pooled sputum is tested; that is, tests on sputum collected over, say, a 24-hour period.

3—Gastric lavage, or washing, to test whether the germs are in the stomach.

4—Meantime X-rays must show no sign of active infection.

5—Then, as a final safety measure, discharged patients continue drug treatment six months or more to make sure the germs cannot return.

That's why an ex-patient is so thoroughly safe.

(Average treatment of a patient is now about 10 months in a sanatorium, as against two to five years in the early 30's before we had suitable drugs and were not yet able to do the surgery now being done in TB cases. Many used to die; today few do unless they are aged or otherwise infirm, or the case has been neglected for a long time.)

Dear Dr. Molner: I have read where sugar and candy can dull the mind and give indigestion. Is this so?—H.M.

No. Just one of those made-up scare stories such as the old and disproved fable that smoking will "stunt your growth." Tell you what sugar and candy

will do, though. If you eat too much. They can make you fat and can be rough on your teeth.

Dear Dr. Molner: Is it wise to have long-haired cats and dogs around asthmatic and arthritic TB cases?—B.W.

For tuberculosis, this is not a matter of any significance. For asthmatic cases, it depends on whether the patients are sensitive to animal danders. A few are.

TODAY IN HISTORY

By THE CANADIAN PRESS

Oct. 9, 1960 . . . Almee Semple McPherson, one of the United States' most colorful and controversial evangelists, was born in Ingersoll, Ont., 72 years ago today.

In 1890, Theologically a fundamentalist and Pentecostal in emphasis, she retained the loyalty of her followers despite a third marriage that ended in divorce and various unproved grave charges. She preached to mass congregations in Los Angeles, Calif., for 20 years.

1934—King Alexander of Yugoslavia and Louis Barthou, French foreign minister, were assassinated at Marseilles.

1940—Compulsory military training begins for 29,750 Canadians.

WORLD BRIEFS

MAKE SWEEP

TOKYO (AP)—Some 5,000 policemen made an anti-hoodlum sweep in Tokyo and 14 prefectures today. They arrested 943 persons and seized 126 weapons and 400 packs of heroin. The operation was aimed particularly at gangs dealing in narcotics.

WANT MORE CONTROL

PEKING (Reuters)—The Chinese Communist government has ordered the setting-up of sanctuaries for rare wild animals and birds. It was disclosed today. The government order, quoted in newspapers here, also demanded tightening of the already strict control over hunting where wild animals are scarce.

MANY EVACUATED

JAKARTA, Indonesia (AP)—Nearly 4,000 persons have been evacuated from the area around the volcano Merapi in central Java following two ominous rumblings in the last 10 days. The evacuees will be resettled in Sumatra, the Pia news agency reported.

OPEN TALKS

BEIRUT, Lebanon (AP)—A Canadian economic delegation on a four-day visit to Lebanon opened discussions Monday with Lebanese officials aimed at increasing commerce between the two countries. Headed by the Canadian deputy minister of commerce, James Roberts, the delegation met with Nadim Damashkieh, director of economic and cultural affairs, at the foreign ministry.

BIBLE BRIEFS

For I reckon that the sufferings of the present time are not worthy to be compared with the glory which shall be revealed in us.—Romans 8:18

Keep your eyes on the crown, not the cross, and the cross will not be so heavy.

Flash-Backs Tell Of Negro Grads

By ROBERT E. MOLTON

Ernest Green is a graduate student at Michigan State University.

Charles Wells is in her junior year at the same institution. Jefferson Thomas attends Los Angeles City College.

These three have much more in common than a bent for higher education.

All three are Negroes.

All three attended the same high school in Arkansas.

All three figured prominently in the news five years ago.

They were among the small band of Negroes who in the fall of 1957 marched to the steps of Central High School in Little Rock, Ark.

Since then, many others of their race have taken similar steps to implement federal integration orders, the most recent being James H. Meredith.

Meredith has just started attending classes at the University of Mississippi and says he hopes to continue at the school until he finishes the three semesters of instruction he still needs to obtain a degree.

Two died in the violence attending Meredith's breaking the racial barrier in the Mississippi educational institution.

Dozens of persons were injured and wounded in outbursts that came with the integration of Central High School in Little Rock five years earlier.

Violence of the same type

flared up at other southern high schools and colleges as attempts were made to integrate them. Then, in each of the earlier cases, peace slowly returned to the campuses. The students whose names had made headlines copy eventually became just another group of students. What has happened to some of those first Negroes who tested their rights to enter all-white schools?

Among the group who made the test in Little Rock, most have gone on to college. For example:

Melba Pattillo is a junior at San Francisco State. Minnie Brown, expelled from Central High School in 1958 after figuring in several racial incidents, now is a junior at Southern Illinois Terrance Roberts now is studying at the University of California at Los Angeles.

Autherine Lucy created news in 1956 when she enrolled at the all-white University of Alabama. Facing angry mobs, she was forced to leave the school after three days for her own protection. She married Rev. H. L. Foster and moved to Texas.

Charlayne Alberta Hunter and Hamilton Earl Holmes still are attending the University of Georgia at Athens. Their enrollment at the 116-year-old school set off rioting that caused them to be suspended temporarily for their own safety. A week later they were readmitted.

The municipal tennis courts in City Park are closed to the public for the time being owing to their having been damaged by players using them in rainy weather.

50 YEARS AGO

October 1912

The local branch of the Political Equality League will meet for organization purposes in Raymer's Hall this Friday.

In Passing

No matter how excellent a college, it can't put a truckload of education on a wheelbarrow brain.

The kind of "surgery" many a person needs to better his health is the cutting out of bad habits.

Electronic "brains" that reproduce themselves are being predicted. Another difficult problem may be how to prevent a population explosion of automation machines.

ANN LANDERS

Ask Advice Of Winner

Dear Ann Landers: Our 16-year-old daughter is very sure for her age both physically and mentally. We are having a little disagreement with her about her fall wardrobe.

She has gone to rather heavy, but tasteful outfits. Generally, her taste is excellent but some of the garments she brought home yesterday appear to be much too tight on her.

Can you give me an idea of how tight a 16-year-old's dresses ought to be? Thank you—SQUARE MOTHER.

Dear Mother: Tight enough so that she looks like a girl—but loose enough so that she looks like a lady.

Dear Ann Landers: Yesterday when I went out to the garage to check the garden hose before putting them away for the winter, I noticed something in the back seat of the car. It turned out to be a woman's cashmere sweater and a pair of high-heeled slippers. They did not belong to me. In fact I had never seen them before.

My husband has never given me any reason to suspect that he may be slipping around behind my back. I would have bet my life he was 100 per cent faithful. Finding those things in the car has upset me terribly.

I confided in my closest friends who know a lot about men. She has had three divorces.

She says ALL husbands are 100 per cent faithful—until they get caught. She advised me to keep my mouth shut and forget I ever saw anything. Do you agree that this is the smart move?—BONNIE.

Dear Bonnie: When you want advice go to a winner—not a loser. I think your girl friend gave you a bum steer.

By remaining silent, you assume the worst and deny your husband an opportunity to explain. This is unfair. It may be that there is no hanky-panky whatever but you'll never believe it until you clear the air.

Dear Ann: Several weeks ago my husband's sister invited us to a dinner party in her home. The dinner was scheduled for 7:00 p.m. on Saturday. At noon on Saturday a car pulled up with surprise visitors. It was my sister and her husband, his brother and wife and mother-in-law. Since they had driven 100 miles to see us I had no choice but to be hospitable. We have plenty of beds and food in the freezer so that is never a problem.

I phoned my husband's sister and asked her if I could bring out guests to her dinner party. She was most ungracious and finally said, "Well, bring them—we'll manage somehow."

The party was terrible. She packed us around two tables instead of setting up a third one. There didn't seem to be enough food or wine. I'm sure she did this intentionally, to make me uncomfortable.

I say a lady would have handled the emergency with grace.

Wmns. Institute Hold October Meeting

The October meeting of the Women's Institute was held in the Institute Hall on October 4th with the president Mrs. E. Knox in the chair.

It was decided to donate clothing to the Unitarian Service, contribute to the Lady Aberdeen Scholarship Fund and to Project 400. A birthday gift has been sent to the Institutes adopted daughter in Austria from whom many interesting letters have been received, and her Christmas present has been arranged for.

The meeting closed with refreshments served by the two Mrs. Montons.

Lakeview Heights To Host Zone Conference

The Lakeview Heights Recreation Commission met at the home of Mr. and Mrs. Hugh McCartney on Tuesday evening, when most of the business consisted of arranging for the Zone Conference. For each Lakeview Heights area this year, the conference will be held in the W. I. Hall on Tuesday evening, October 9th.

Plans were also made for gym and "Keep Fit" classes for boys and girls to start at the beginning of November. Mr. Harry Cox will be the instructor for both classes and they will be on Saturday mornings.

Mr. A. Segus accompanying Mr. and Mrs. E. Hill, has been enjoying a holiday with his mother in Regina.

The "Westside Squares" are inviting square dancers to come to their first party night of the season in the Westbank Community Hall on Saturday, Oct. 19th at 8 p.m. Chuck Inglis as master of ceremonies. Please bring a sack lunch.

Rustic Whimsy And Originality Highlight Paris High Fashion

PARIS (Reuters)—Paris winter fashions have whimsy, originality, and occasionally almost outright rustlings.

Amid restrained and easy-to-wear basic silhouettes, high fashion has introduced new looks, new accessories and numerous little ideas waiting to be adopted by women with a flair.

Few women can afford to shed last year's clothes and start again from scratch each season, but everyone can make one new purchase pay valuable dividends, or incorporate details from the top fashion collection to brighten a lackluster wardrobe.

In the final analysis, the new look for this winter proves to be only a new mood, or a style of dress worn at a different time and place.

The No. 1 trend in daytime fashion, for example, spotlights the "outdoor girl"—country clothes brought to city streets.

BIG BOOTS

Leading designers like Balenciaga and Dior interpret the new mood with rustically styled cape, trouser-shirts and knee high boots designed for walking.

One theme of the Dior collection is Marc Bohan's revolution.

Old Family Recipes Found Delicious

VERNON RIVER, P.E.I. (CP)—Edward Bousier, whose hobby is cooking, found an old cookbook recently while repairing his 100-year-old home, tried some of the recipes and says his family found the dishes delicious.

The old cookbook calls for few accurate measurements, leaning heavily on the teaspoon as a kitchen utensil. It specifies that you beat egg yolks in teaspoons, mix yeast in teaspoons and chop nuts and fruit in teaspoons.

The author apparently figured housewives of the middle 1800s would usually have big families. For example, a recipe for fried eggs for breakfast stipulates a dozen eggs.

Here are several of the recipes:

Tomato Pie—Peel and slice enough green tomatoes to fill one pie, add four tablespoons of vinegar, butter and sugar, flavor with nutmeg and bake slowly with two crusts. You may stew the tomatoes first to prevent the pie from being too juicy.

Fried Bananas—Peel and slice bananas, sprinkle with salt, dip in thin batter and fry in butter. Serve as soon as it is done.

Indian Bread—Two cups of Indian meal, one half-cup each of rye meal and wheat flour, two-thirds of a cup of molasses, one pint of sour cream, cooking soda and salt.

Kelowna Jaycettes Commence Fall Session With Dinner

The fall session of the Kelowna Jaycettes commenced on September 27 with a dinner at Andrian's restaurant followed by a general meeting at the home of Mrs. E. Busch, and two officers were installed by past-president Aggie Wightman.

The 1962 executive is headed by president, Angie Busch, with Barbara Charman as vice-president, Evelyn Hutton as secretary, Lou Thorpe as treasurer and Jeanette Kinney as director.

Past vice-president Mrs. E. Dickens gave a report on Jaycette activities at the National Jaycette Convention which was held in Calgary last July.

Members of the unit assisted the Jaycettes with their giant bingo which was held in the Centennial Hall on October 3, and the Kelowna Jaycettes along with other Jaycette units throughout the valley were represented at the recent Jaycette Fall Congress held in Penitence. While the men attended the business sessions the ladies also gathered together for a valuable interchange of club ideas, and a program of entertainment. Kelowna will be the hosting unit for the next Spring Congress. An effective speaking course

is being offered to members of the Jaycettes and Jayettes again this year, and it is hoped that as many as possible will avail themselves of this fine course which will commence this month.

As a fund raising project the club will be selling Regal cards again this year, and in conjunction with the recent Jaycette membership drive it is hoped that the Jaycettes will be able to increase their enrollment. All wives of new Jaycettes are invited to attend the next general meeting on October 25.

About 2,000,000,000 pounds of fish are caught commercially in Canada each year.

FIGURE SKATING CLUB PROFESSIONAL

The Kelowna Figure Skating Club is pleased to announce the appointment of Miss Elsie Busch as club professional for the 1962-63 season. Miss Busch who is pictured above is a Kelowna girl and has excellent qualifications. She began skating in 1954 spending five years in Kelowna and three in Calgary, and in 1956 she was the winner of the Junior Okanagan Mainline Figure Skating Championships at Kamloops. In 1959 she was runner up in the Senior Ladies Mainline Championships at Kelowna and was also runner up in the Junior Western Canadian Championships at Brandon, Manitoba. In 1961 Miss Busch competed in the Senior Ladies Pairs in the prairie section championships held in Edmonton finishing second, and from there she went to Montreal to represent the prairie section in the Canadian Championships. The Kelowna Figure Skating Club will open their season about the middle of October and further announcements will be made of the exact times. The executive of the Club for the 1962-63 season is as follows: Mrs. Audrey Adkins, president, Mrs. Lois Butler, vice-president, Mrs. Molly Kelly, secretary, Mrs. Diane Jenson, treasurer, Mrs. Madeline Jenson, club councillor. The directors are Mr. M. Baird, Mrs. Muriel Smith, Mrs. Louise Neale, Mrs. Mary Guidi, Mrs. Evelyn Curtis.

WINFIELD NEWS

Mr. and Mrs. J. Henderson of New Westminster were recent guests at the home of the former's aunt and uncle, Mr. and Mrs. H. W. Scarrow prior to leaving for Scotland where the plan to take up permanent residence.

Mr. and Mrs. H. Davidson of Vancouver accompanied by Mrs. J. Laing of Regina, were recent visitors at the homes of Mr. and Mrs. Fred Hall and Mr. and Mrs. Charles Hall.

Mrs. E. Hall, Senior, accompanied them on their return to Vancouver for a short visit. She was driven home again by Mr. and Mrs. Charles Lavoie of Swift River, Yukon, who visited for a few days at the homes of the Halls.

Should you buy your child a Life Insurance policy?

There are many worthwhile benefits when a child has a policy of his (or her) very own. It has the lifetime advantage of a low premium rate. It encourages thrift and lays the foundation for a growing personal estate.

But a note of caution—there are more important questions to answer first. Have you, the father, adequate insurance on your own life? Is there enough to guarantee the family their food, clothing, shelter and education requirements for as long as it's needed?

If you would like competent guidance on this problem the Man from Manufacturers is a good man to talk to. He'll put first things first—help you establish objectives for all-round family

security. He'll give you a realistic plan for the future that will take the "hit and miss" out of buying life insurance. Why not call him today!

FOOTBALL HIGHKICKS

More New Faces Needed In Support Of Football

By DOUG BULWER

Thanksgiving Day, a big day in the eyes of most local sports fans, what with Giants coming up with a big win against the Yankees in the World Series and Vernon Panthers of the Okanagan-Mainline High School Football Conference winning third straight by a score of 25-0 against their arch rivals the Kelowna Cubs.

I've been a Yankee baseball fan all my life, but I have to give those San Francisco Giants their dues. Of course, I had my nose pressed against the TV set throughout the game and when it was over, came away wondering just who will win that series. However, my baseball thoughts were pushed far back in my mind a bit later when, arriving at Vernon's Polson Park, I was greeted with: "Some on Panthers" and "Yay Kelowna Cubs". It was obvious that both teams had their cheering sections out in full force and were trying to outdo each other in the tussle exercising department.

Out on the playing field, it was much the same, here it was muscle against muscle and will against wit as the boys put their hearts into the thrilling game of football, a relatively new sport in the Okanagan Valley. It's only the second year we've had football here and already the spirit, as well as the thrill of this famous sport is beginning to get into a lot of people's systems.

Other than the fact that both schools were well represented in the stands, it was somewhat of a disappointment to see such few parents and other adult spectators out to the game, especially since it was a holiday. True, it wasn't the best day weatherwise, a little on the cold side with a slight drizzle of rain for most of the first half of the game but I still think more people could get off their ends and come out to support the youth in our communities.

It's not only football, the same goes for minor hockey, little league baseball and what have you. It is a real shame to see the same old faces time after time help support the kids. I could almost name these people off by heart. You see these few each time.

When help is needed to organize and start children off in sports and recreation, a person sees very few new faces and as a result it's almost always the

same "few". I have heard it said many times, and rightly so, that most parents take advantage of "the few" to use them as a baby sitting service.

Well, anyway, back to football. I took a stroll along both benches during the game to watch and listen to the reactions of the players sitting there while their buddies were out in the game. Talk about team spirit! Sure Vernon had little or no worries as they were never behind, just the same they never let up in urging their mates on. It was the same on the Kelowna bench, a good word, the slap on the back as each

strung came and went. Yes, they took the good and bad in their stride and kept their heads high doing so. I chatted with Dr. E. M. Stevenson, president of the High League and he remarked on the wonderful spirit each of the schools were displaying with the introduction of football to their sports agenda.

FILL A VOID

He went on to say that football seemed to fill a void in the lives of some of the boys while at school. Some of the boys had taken up football because their ability was limited in other athletic fields. Some he said were just unable to compete in other sports because their size or shape made them awkward and self-conscious.

Even girls got into the spirit of things, a challenge went out from the Vernon female set to meet with a similar team from

EMERGENCY REPAIRS? Sure, We Can Cover You

One of the things we like about Wawanesa Mutual is that it's very seldom a customer can ask for coverage that we can't provide. Take our Emergency Road Repairs policy. If your car suddenly breaks down, we'll cover the cost of towing or emergency repairs up to \$25. You might not expect an insurance company to provide that type of coverage, but Wawanesa felt it was needed, so of course they made it available. It's only one of many extras that appear throughout Wawanesa's entire insurance program. If you feel your insurance doesn't quite cover all your needs, chances are Wawanesa can. Test us. Give us a call now, or drop in next time you're by.

Vernon Teacher Seeks Presidency Of OVTA

VERNON (Staff) — Penticton will host the first annual convention of the Okanagan Valley Teachers' Association Oct. 11-13 this year. More than 500 Valley teachers are expected to attend.

Opening with a welcome message from Mayor M. P. Fraser, the first session Thursday at 9 p.m. in the high school is open to the public, and will be addressed by Very Rev. J. C. Jolley, dean of St. Paul's Cathedral, Kamloops. His topic is "Expanding Horizons in Education."

Friday morning Dr. Roy Daniels, department of English, UBC will speak to the convention, followed by Dr. Walter J. Hartwick of the College of Education.

In the afternoon session J. R. Meredith, director of curriculum, Victoria, will speak on "Directions in Curriculum Development."

A panel discussion in the evening, consider Who Should Determine Curriculum, with the previous speakers as panelists. Election of officers to the association.

OJBL MEETING TO IRON SNAGS

VERNON (Staff) — A meeting, which is being billed as important to the executive of the Okanagan Junior Baseball League, will be held in Vernon at the Kalamalka Hotel, Sunday at 2 p.m.

Secretary treasurer Percy Main urged all executives to attend to "iron out the many snags encountered during the past year." He says he hopes the meeting will provide a smooth future for the junior league.

place at the business meeting Saturday morning. Present will be James Cairns, vice-president of the B.C. Teachers' Federation, and Stan Evans, assistant general secretary of the BCTF. Friday night's activities will conclude with a dance at the Penticton Golf Club. Conventions have also been invited to attend a high school football game Saturday afternoon between Vernon and Penticton at King's Park.

J. B. "Barney" Bolton, principal of B.C. School, Vernon, is running for president of the Valley association.

REPORT THREE KILLED

KEY WEST, Fla. (AP) — Havana radio said Monday night three counter-revolutionaries have been killed and seven others captured in Yaguajay in Las Villas province. The broadcast gave no further details and did not say when the slayings and captures took place.

FIRE...a Word That Strikes Terror Into Every Heart

You can stop fire before it starts. Simply obey these simple rules and you will greatly cut down the fire hazard in your home or place of business.

1. Keep plenty of ash trays hand and use them. Never smoke in bed.
2. Don't let rubbish accumulate in attic, cellar or anywhere.
3. Handle flammables with great care always.
4. Have an electrician check your wiring system for possible overloads.
5. Have adequate electrical outlets in all rooms.
6. Have your heating system checked for possible fire hazards.

FIRE PREVENTION WEEK PAGE

Hand Of Carelessness Writes Ghastly Message Across Land

The hand of human carelessness writes a ghastly message in the ledger of our nation's life. The facts are burned deep.

In the last 10 years more than 1,000 lives were lost to fires (many of them young children). More than 500,000 homes were destroyed or damaged. More than one billion dollars in property was consumed.

A tragic picture—a disgrace! All of that, but more important, a national tragedy that could have been averted by simple care.

CLEAN TRASH OUT

How simple! By care in smoking. By intelligent use of heating and electricity.

By cleaning out trash. By keeping matches away from young hands.

On the job, by a greater devotion to the easy rules of safety.

Fire is an economic blight. The total loss of the last decade dwarfs that of any other period.

We can't afford fire at any time. In today's "tight-belt" living we must do better.

BIGGER AND BETTER ASH TRAYS ARE WHAT IS NEEDED IN HOME

The more that people think in terms of more and larger ash trays for smokers in the home, say Canada's fire fighters, the fewer will be the number of fires.

If the record of fire for the past three years is any indication, it would seem that people are beginning to catch on to a good idea. In 1959 there were some 63,000 dwelling fires.

Good rule: Think about fire wherever you are. Don't give fire a place to start!

A GOOD TIP TO HEEDY

While the fire hazard in the woods in the Kelowna district has greatly lessened since the advent of fall weather, this is no way relieves the hunter, camper or hiker from using all possible care, according to the local Forest Service Ranger. Fire, if given a chance, can and will burn in apparently "wet" wood.

The good woodsman always puts out his camp fire in the prescribed manner—by pouring lots of water on it and assuring no hot embers are left—absolutely none.

Heavy Burden To Bear

Have you ever realized what fire defence costs the citizens of Canada in a year?

When the figures are before you, you'll probably have a new perspective on the importance of fire prevention.

Fire department annual operations—\$70,000,000!

Capital equipment, buildings, etc.—\$250,000,000.

Citizens also paid in 1961 \$223.1 millions in earned fire insurance premiums.

Against the 1961 premium total of \$223.1 millions, the figure for loss claims (including adjusting expenses) was \$116.5 millions, or a loss ratio of 52.21 percent, about 4.5 percent lower than the previous year.

Fire is indeed a heavy burden on the Canadian economy.

BRITISH BRIEFS

RECRUITING PLATERS
BELFAST (CP)—A St. John's, Nfld., shipbuilding firm is recruiting platers from Northern Ireland. A spokesman for the firm's Belfast agents said about 100 men have gone to Newfoundland since last August.

PILOT HONORED
LONDON (CP)—Veteran pilot Cecil Pashley has been awarded a silver medal to mark 50 years of flying. The award was presented by the Guild of Air Pilots and Air Navigators. Pashley, 68, had logged 18,900 flying hours and taught 1,600 students to fly.

PRESENT PLAQUE
LONDON (CP)—A plaque in memory of Charles Sankey, one of the last survivors of the crew of the Cutty Sark, has been presented to the tea clipper which now is preserved at Greenwich. Sankey died in Canada last April at the age of 88.

TO TRAIN IN CANADA
LONDON (CP)—Two more British Army units will train in Canada. It was announced today. A battery of the royal artillery will go to Shilo, Man., for cold weather firing and members of the parachute regiment will spend 18 days at Fort Churchill, Man., next January.

ADMIRAL DIES
BODMIN, England (Reuters)—Admiral Sir Bernard Rawlings, second in command of the British fleet in the closing stages of the Second World War, died here at 73. It was announced today. Rawlings was British naval attaché in Tokyo from 1936 to 1939.

PLACING ENTRIES
LONDON (CP)—Canada's entries in the World Plowing Championships in Holland Oct. 4-5 are Cyril Heynes of Emerson, Minn., and Tom Heckman of Chilliack, B.C. Two Welshmen, Henry Jones and John Sandford, represent Britain.

SURE FIRE SUICIDE!!

with Unsafe Appliances

In the Home and everywhere in Canada the slogan endures:

DON'T LET YOUR APPLIANCE START A FIRE

ANDERSON'S ELECTRICAL SERVICE
107 ELLIS STREET
Phone PO 2-3025

Parents Take Due Heed —Hallowe'en Draws Nigh

Fathers, take heed! The law holds you liable for damage and injury caused by your youngster's firecrackers. Soon it'll be

Hallowe'en and, children being what they are, firecrackers will be exploded, rockets will soar and pinwheels will whirl.

Why not, instead of letting the children run wild where you can't see or control them, arrange with neighbors to organize a Hallowe'en party in a suitable and safe place.

There you can let off the fireworks, be a good father, have some fun yourself and — share the costs with the neighbors?

If you have a fire extinguisher in your place but don't know how to use it properly, you're living in a fool's paradise if you rely on it to do a job in emergency.

This is a straight-from-the-shoulder warning by one of the nation's senior fire prevention officers. Some tips:

Read the instructions on the housing of the extinguisher and bone up on them at intervals.

Know what the extinguisher is capable of doing. Some types are ineffective in certain situations. Know what these are.

Because extinguishers in general have a short operating time there's no point in starting yours going when you're 50 feet away from the fire. By the time you close in on the blaze its effect may be lost.

See, too, that the extinguisher's contents are up to specified capacity.

WORDS OF TRUTH
A big fire is a thrill for spectators but, for the fire fighter, it is a chamber of horrors.

FIRST STAMPS
The first postage stamps were issued in what now is Canada in the provinces of Nova Scotia, New Brunswick and Canada in 1851.

BE SURE YOUR CIGARETTE IS OUT!

During Fire Prevention Week and all year 'round

OBSERVE EVERY FIRE SAFETY RULE!

McLEAN & FITZPATRICK

R.R. No. 1, Kelowna, B.C. PO 5-5123

Babysitting Short Course

Here for parents and for the sitter, are standard rules for the work:

1. The sitter should have a sense of responsibility and should like the children and preferably live in the neighborhood.

2. Instructions should be given in writing as well as orally. Where you are going and telephone number, or the name and number of someone to call in an emergency. Your telephone number and location of telephone.

Emergency telephone numbers for FIRE, POLICE, DOCTOR. How to call the fire department.

Location of exits. How to control the furnace or stove.

Leave a flashlight in case of power failure.

3. Guide to the sitter in emergency. Get the children safely out.

Even if it's cold, don't wait to dress them. Wrap them in a blanket.

Even the smell of smoke or gas is enough warning to call the fire department, or summon help. Be sure to say exactly where you are. If you can, turn on the front lights, to attract attention.

Don't re-enter the house. Smoke or gas from a very small fire may be fatal. If you are trapped inside, remember that the air near the floor is usually better in a smoke-filled room. Inside, don't turn on or off any electric switches. This may create a spark, ignite gas vapors, and cause explosion.

REPORTS FLOOD TOLL

BARCELONA, Spain (AP)—Information Minister Manuel Fraga Iribarne told reporters today the toll of known dead in the flood disaster here a week ago was 280 and 280 other persons were still missing. Fraga Iribarne said the victims included 100 school children.

POPULATION MARK
Italy's population is expected to pass the 50,000,000 mark before the end of 1962.

GAS IS SAFEST

According to the latest available figures from the National Board of Fire Underwriters, in comparison to other sources of fuel . . .

THE LEAST NUMBER OF FIRES are caused by gas

GAS safer than electricity by ratio of 8.9 to 1

GAS safer than oil by ratio of 3.7 to 1

GAS the modern fuel safest by far

Proved best for automatic heating, cooking and water heating.

VICTORY BEAR HUG

Willie McCovey, Giants' first baseman, who blasted a homer over the right field fence to give San Francisco a 2-0 shutout over the New York Yankees in the second game of the World Series, hugs his pitcher Jack Sanford, who pitched the three-hit shutout which evened the series at one game each.—AP Wirephoto

GRAND SLAM DOES IT

Dark's Predictions Shaping Up As Giants' Win Ties Up Series

NEW YORK (AP)—Manager Alvin Dark of San Francisco predicts his team will win the World Series in seven games.

"I've thought so all along," he said Monday. The Giants and Yankees clash today in the fifth game with the series tied at two victories apiece. "Nothing has happened to make me change my mind."

Dark first began thinking of a seven-game series nearly three weeks ago. Since the Giants were then in second place, four lengths behind Los Angeles Dodgers with only nine games left to play, it was more of a wish than a prediction on Dark's part.

"I remember that day very clearly," said Dark. "I was talking to Jose Pagan, our great little shortstop."

"He had played all but one of our games and he was tired. Trying to buy up his spirits, I said to Pagan: 'Keep your chin up, Jose. We've still got 19 games to play.' He looked at me kind of wonderingly."

KEEP PROPHECY ALIVE "Nineteen," he repeated. "I thought it was nine, skip."

"No, nineteen," I repeated. "We've got nine left in the regular schedule, then three in the playoffs and seven more in the World Series. Nine and three and seven make 19."

"Pore Jose, I still don't think he understood me." The Giants kept their manager's prophecy alive by winning 7-3 Monday, the big blow being a grand-slam homer by

LARSEN WINS Don Larsen, who was credited with the final playoff victory, also received credit for this triumph. He pitched to two batters, walking Yogi Berra, a pinch hitter, and getting Tony Kubek on a grounder. Billy O'Dell, the left-hander who hurled the opening game, pitched the last three innings for the Giants.

"I had planned to pitch O'Dell in the fifth game," explained

Dark. "Now I will have to switch to Jack Sanford." Sanford, who blanked the Yanks on three hits in the second game last Friday, will be working with three days of rest. "Jack is strong and the short rest shouldn't bother him," said Dark.

"In fact, I plan to pitch him in the seventh game, too, next Friday. That means he will have only two days rest for that one. Billy Pierce, of course, will pitch the sixth game on Thursday."

Sanford, a 24-game winner during the regular season, has been the team's workhorse.

Strategy Backfires Often In World Series

By BOBBY RICHARDSON NEW YORK (AP)—We're all tied up again and must fly back to San Francisco after today's game, something we had hoped to avoid in this World Series where sound strategy seems to backfire.

I never want to manage. It's the pressure riding on every pitch. Baseball is a game of fun but it's no fun for a manager. Take the seventh inning of Monday's game when the Giants won 7-3 on Chuck Hiller's grand slam home run.

Here was Hiller, a left-handed batter, facing left-handed Magy Shall Bridges. The percentage was on our side.

Going back earlier in that inning, nobody would figure to use a pinch hitter for (Jose) Pagan. He was carrying the hot bat. But their manager (Alvin Dark) sent up left-handed hitting Matty Alou to bat for Pagan against right-handed Jim Coates.

Alou swings late at a 2-2 pitch and slices it down the left field line for a double. With first base open that dictates an intentional walk to the next man (Bob Niekman). Then Harvey Kuenn pops up and Hiller makes our hearts sink down to our shoes.

COULDN'T GET RUNS Our manager (Ralph Houk) played the percentages but we just couldn't deliver with men on. Those 90 feet from third to home seemed like a mile to us.

Bill Stafford was breezing along with a one-hitter for seven innings Sunday. But in the eighth Pagan led off with a single to left. Matty Alou, batting for Billy Pierce, forced Pagan at second. Then Felipe Alou hit a shot back to the mound and

it caught Stafford flush on the left shin just below the kneecap. Bill scrambled for the ball and got Felipe at first but then he hopped around in tremendous pain.

Ralph came out and our other infielders gathered around the mound. Everybody wanted Stafford to stay in and finish up. Bill had the same thought.

Just as we were about set at our positions, Tony ran to the mound. Tony had seen Stafford wobble backwards.

"He turned white," Tony told me as he dressed in the next locker. He said to Tony: "I see two Howards." That's Ellie, our catcher.

Tony pointed to his eyes and looked in at the dugout to get Ralph's attention. But Ralph knew how badly Stafford wanted to finish this game. It was two out and he let him face Hiller, the next batter.

I was relieved to get Hiller's grounder and throw to Moose (Skowron) to end the inning.

Kelowna Dumps Pentiction 5-2 Kelowna Tenmsters moved into a second place tie in the Okanagan Valley Soccer League Sunday with Pentiction as they whipped the Peach City team 5-2 in Kelowna.

George Kamoshinski lead the Kelowna team with two goals while singles went to Don Hut-ton, John Bastante and Frank Kiglics. Pentiction scorers were Jack McLaren and Peter Osborn.

Kamloops was idle this weekend as the Vernon National Royalties played an exhibition match in Edmonton and went down by a 6-0 score before the Rangers.

BIG MOOSE INVERMERE (CP)—James Mosmann bagged an 870-pound mouse in the Bugaboo Mountain area near Brisco. The trophy animal weighed 970 pounds dressed.

JOY ELECTRIC We Use GENERAL ELECTRIC CABLE & BASEBOARD HEAT Inquire about Thermal Protection FREE ESTIMATES Call... PO 2-4820

Rangers Blank Royalites 6-0 EDMONTON (CP)—Edmonton Rangers scored a 6-0 victory over Vernon National Royalties in an exhibition soccer game here Sunday before 300 fans.

It gave Rangers a sweep of a two-game, home-and-home exhibition series with Vernon. Edmonton had scored a 4-3 decision in Vernon last month.

Ernie Friedl scored two goals for Edmonton while Bobby Grant, Hans Friedl, Bernard Aves and Roy Frost got singles. Goalie Herman Quint starred for Vernon, Okanagan Valley Soccer League Champions. The last four years who have reported seeking entry into the Alberta Soccer League.

Rangers led 1-0 at the half and booted in five goals in the last 45 minutes.

IMPROVED PLAY

Cubs Lose Second Straight To Tough Vernon Panthers

VERNON (Staff)—The powerful Vernon Panthers rolled to their third straight victory Monday in Okanagan High School Football League action as they thumped the winless Kelowna Cubs by a 25-0 count.

The Pased Vernon club, under the able coaching of Doug Cole have racked up an impressive 64 points in their three games to date without having so much as a single point scored against them.

Monday's encounter with the Cubs was quite a different affair from the previous game in Kelowna when the Panthers literally ran over the disorganized Cubs.

Captain Bob Schult's boys came out with a vengeance in the first half and held Vernon to a single touchdown with halfback Jim Price picking up the first of his two TD's for the day, going over on a first and goal to go situation with less than a minute to go to the half time mark. The convert was missed and the game.

The Panthers were out in front 6-0. The introduction of Gord Odegar at half back made a big difference to the Cubs' offence. The shifty little runner rammed around the ends for several good gains.

Cubs' defence was hitting really hard in the first half and managed to contain the strong Panther running attack most of the time. The pitch back from quarterback Fredrick to Harold Ansell in the fullback slot hurt the Cubs quite a bit. They seemed unable to bring the big fellow down when he got a full head of steam.

CUBS' CHANCES Kelowna had several scoring opportunities in the first half but interceptions, penalties and fumbles combined to nullify these attacks.

The proverbial roof fell in on the game Cubs for about the first ten minutes of the third quarter and that spelled tail convert was missed and the game.

The big Vernon defensive squad blocked a Kelowna punt in the opening minutes of the third quarter and Dan Parthouschek went over from the three yard line on the first play from scrimmage to run the count to 12-0. This convert was also missed.

Ron Ross recovered a Kelowna fumble at the Kelowna 45 and the Panthers ground their way down to the Kelowna 15 where Jim Price barged up the middle behind good blocking to score standing up at the 3:26 mark of the third quarter. This convert attempt also failed but the Panthers were out in front 18-0.

The Cubs were unable to mount any kind of a sustained attack at this point and were forced to kick on a third down deep in their own end of the field. The boot went straight up in the air and came down in the waiting arms of Panther defensive halfback Brent Caley who ran it back for another TD from the Kelowna 25 yard line at the 7:10 mark of the third. The convert attempt was good and the score stood at 25-0.

The Cubs made a couple of determined drives towards the Vernon end zone but were again stymied by a rough Panther defensive secondary, alertly picking off Roger Klingspon's passes on a couple of occasions.

The game saw-sawed back and forth with neither team being able to make much headway. On one occasion the Panthers marched to the Kelowna 15 yard line but had to give up the ball on downs.

SHOW DEFENCE Cubs in turn were unable to dent the Panther's defensive armour although they did come up with the prettiest play of the day, a Klingspon to Odegar catch which travelled for a total of 62 yards, pass and run. The flying Cubs' halfback was brought down hard on a nice tackle by the last Vernon safety man.

On defence for the Cubs, Stringer, McGregor and Galligan all played very well while Roger Klingspon once again starred going both ways for the Cubs. Odegar, Herron at end, Bennett in the fullback slot, came up with a good offensive effort. Casey did a terrific job on punt returns even though he was tackled up on one occasion.

Statistically the Panthers had by far the better of the play. They came up with 19 first downs to nine for the Cubs, they rushed for 294 yards to the Cubs' 91. In passing however the Kelowna crew came out on top with 117 yards on five completions in 13 attempts to Vernon's 36 yards on three completed in 10 attempts.

Next game for the Cubs will be Saturday, Oct. 13 when Kamloops will visit here. Vernon travels to Pentiction for a game with the Golden Hawks whom they shut out 7-0 in the opener in Vernon.

Sports

PAGE 5 KELOWNA DAILY COURIER, TUES., OCT. 9, 1962

Intermediate Hockey Meeting On Wednesday

A meeting of all those interested in playing with Kelowna's new intermediate hockey club has been called for 8 p.m. Wednesday night at Memorial Arena.

The club, to be coached by Jim Middleton, will play a 24-game schedule with the opening game slated for Memorial Arena Oct. 31 when Vernon will be the visitors.

Coach Middleton wishes to point out that the intermediate club is not attempting to play in opposition to the Junior A club here but wishes to provide overage juniors with an opportunity to continue playing here in the Valley after their junior days are over.

No juniors will be permitted to play with the intermediate team unless they have been released from the junior league. The team has yet to announce a sponsor for the coming season but coach Middleton reports he is negotiating the matter at the present time and hopes to be able to announce the sponsor in the near future.

Hiller Had 'Feeling' After The Big Blow Mine seems to be out of hits. That's what old Charlie Hiller said when he came into the dugout after hitting the grand slam, and it made me feel great after leaving those three men on base.

I came up in the seventh with one out and the bases loaded. I knew Marshall Bridges wasn't going to give me a fast ball where I wanted it, so I was trying to get at least a sacrifice fly. At all costs I wanted to avoid the double play.

I guess I must have fouled off half a dozen pitches because they were too close to let go by and then I undercut one too much and popped up. I felt terrible going back to the dugout, but the next thing I knew old Charlie had tagged Bridges and picked me up.

Now we're assured of getting the Yankees back in our own ball park and I think we can win it. I've thought so all along, but the way this club keeps coming back, I'm more convinced all the time.

Charlie used one of Billy Pierce's bats when he went up to hit and maybe I ought to try and borrow one from somebody.

WEEKEND FIGHTS Osaka, Japan—Kazuo Nakayama, 130½, knocked out Larry Fernandez, 129, The Philippines.

New York—Emile Griffith, 151, New York, outpointed Don Fullmer, 159½, West Jordan, Utah, 10, (Non-title).

Buenos Aires—Federico Thompson, 140, Argentina, outpointed Jorge Peralta, 114½, Uruguay, 15.

Gifu, Japan—Veeranid Charernmuang, 127½, Thailand, stopped Yuji Masuko, 127½, Japan, 5.

Valley Squad To Meet Old Pentiction Vees

PENTICTON — The South Okanagan Shrine Club are looking for a sell-out crowd when they stage their Vee's Homecoming exhibition hockey game, here October 12 at 8 p.m.

Being sponsored by the local club to raise funds for their Crippled Children's Fund the game will see the never to be forgotten Vees, who stormed through 1955 unbeaten to bring the World Cup back to Canada, take on an all-star squad from the rest of the Valley.

Contacted and definitely to be here for the game from points far afield, are Grant, Bill and Dick Warwick, Jack McIntyre, George McAvoy, Don Berry, Ernie Rucke and Mike Shabag. Already on hand here and also slated to see action are Jim Fairburn, Key Conway, Ivan McLellan, Bernie Bathgate, Jack Taggart, and Don Moog, while bouncing down from Kelowna will be Jim Middleton.

Rush tickets are available from local Shriners; reserve seat tickets are available at the Hudson Bay Co., Main St., Pentiction, B.C.

Esks' Backs To The Wall Lions Pound Bombers

Saskatchewan Roughriders have placed Edmonton in a position where the Eskimos haven't expected since the first year they released the Western Football Conference.

The 20-20 defeat handed the Esks by the Riders in Regina Monday put Edmonton's back to the wall. The once powerful Eskimos now have to win all three of their remaining league games to stand a chance for the final conference playoff berth.

The Esks haven't missed the playoffs since 1960.

On Saturday they took their third straight loss from Calgary Stampede, 22-13 in Edmonton, while British Columbia Lions were whipping Winnipeg Blue Bombers 14-6 in Winnipeg.

The B.C. win marked the first time the Lions have ever managed to beat the Canadian champions twice in one season, let alone in successive games.

They defeated Winnipeg 27-22 in Vancouver Sept. 24.

Quarterback Bob Placek had one of his more successful passing days for the Roughriders, connecting 13 times in 18 attempts for 291 of Riders' total offensive of 383 yards.

He scored one touchdown and passed 73 yards to end Jack Gotta for another. Fullback Ferd Burket accounted for the third.

Steve Myhra, picked up from Baltimore Colts of the National Football League 10 days ago, scored 19 points in his first game on two field goals, three converts and a single.

Edmonton got touchdowns from Jackie Parker, E. A. Sims and Tommy Joe Coffey, who also booted two converts. Coffey filled in at fullback for injured Johnny Bright.

The weekend games left Winnipeg holding first place by one point with two games in hand over Calgary, who have 15 points. Saskatchewan is third with 13 and B.C. fourth with 12 points. Edmonton is last in the league with nine points.

Ottawa Takes Over Top In Eastern Grid Loop

Don't knock the field goal. It may be only half as valuable as the touchdown, but when used properly it can be a dangerous weapon.

Two three-pointers revised the standings and the outlook, in the Eastern Football Conference this weekend.

Moe Racine booted a 40-yard field goal on the last play of the game at Montreal Monday to give Ottawa Rough Riders a 26-24 win over Montreal Alouettes and first place in the standings.

Bill Mitchell kicked one 19 yards from a sharp angle Saturday night to keep Toronto Argonauts' playoff hopes alive with a 10-9 upset win over Hamilton Tiger-Cats at Toronto.

That one came a minute and 22 seconds before the final gun.

Another Win For 'The Kidd'

GUELPH, Ont. (CP)—Toronto's Bruce Kidd, originally scheduled to compete in the 15-mile open event at the 69th annual Thanksgiving Day road races Monday, elected to compete in the five-mile open instead and romped to a win in record time.

The East York Track Club star set a meet record of 24 minutes, 39.9 seconds, bettering the mark for the event of 25:53 he set in 1960.

John Irons of Brampton, Ont., was second.

Big M, Leafs Clip All-Stars

TORONTO (CP)—Toronto Maple Leafs, their lineup bolstered by \$1,000,000 worth of left winger, dubbed the National Hockey League All-Stars 4-1 Saturday night.

Frank Mahovlich, a marked man as a result of the astronomical bid for his services by multi-millionaire Jim Norris did his best to make the Chicago Black Hawks owner look good by scoring one of the Toronto goals.

Norris made the original offer at a gay party in a Toronto hotel Friday night after the All-Star dinner. He peeled off \$1,000 in bills before a gathering which included several officials from the NHL cities.

Safford Smythe, Leafs president, said Saturday: "No human being is worth \$1,000,000 to buy or sell. I consider this to be a publicity stunt."

Smythe told reporters Friday night that Norris would have to repeat the offer Saturday night before he would accept.

"We'll get the World Series off the sports pages," he told newspaper men at the party.

ARRIVES WITH CHECKQUE

Norris had Chicago general manager Tommy Ivan take a certified cheque for \$1,000,000 in Canadian funds to Maple Leaf Gardens Saturday.

Soccer Fans Didn't Like Officiating

MONTREAL (CP)—Players and officials scuffled for cover Monday night when about 200 fans swarmed onto the field during a soccer game between two Montreal National League teams, Italia and Spartakos.

Referee John Schneider had called a free kick against Spartakos. A scuffle developed on the field and the predominantly Greek fans rushed the Italian team.

At least one fan was arrested for swinging a chair at a police officer.

Sonny Says Guard Was 'Prejudiced'

PHILADELPHIA (AP)—World heavyweight champion Sonny Liston has accused a Fairmount Park guard who picked him up for going too slow in his auto of being "prejudiced against" him.

Liston was picked up by guard Aaron Smith Friday night. It was disclosed during the weekend, and later released. No charges were lodged against him.

It was the second time Liston had been stopped by park guards in 16 months. An arrest on June 12, 1961, almost cost him his chance at a title match with Floyd Patterson, whom he dethroned on a first-round knockout Sept. 25. He was arrested after stopping a woman's auto, then speeding away in his own. He was acquitted of the charge.

Francis C. Deegan, park guard superintendent, said Smith stopped Liston because his car was going 15 miles an hour. When Liston got out of the car, Deegan said, Smith did not know it was Liston.

Deegan said Liston could not find his automobile registration. Smith reported there was a strong odor of alcohol around the car.

Smith told Deegan that Liston claimed he was being picked on because he is a Negro.

Deegan said the officer in charge of the guards, decided Liston should be sent home without being charged after the owner's card turned up in the glove compartment of the car.

TAKE SECOND SPOT

KAMLOOPS (CP)—Kamloops Red-Devils moved into sole possession of second place in the Okanagan Mainline High School Football League Monday with a 19-13 victory over Penikese Golden Hawks.

Devils spotted Penikese a 6-0 lead and then turned Brian Fedorick loose for three unconverted touchdowns.

UBC WHIPS MANITOBA

WINNIPEG (CP)—University of B.C. Thunderbirds jumped on Manitoba mistakes on their way to a 28-0 victory Monday in a Western Inter-Collegiate Football Conference game. The win boosted UBC into a first-place tie with Alberta Golden Bears. Both have 2-0 records.

Hornung's Toe Keeps Packers In First Place

NEW YORK (AP)—Someone has that golden feeling today. Paul Hornung because of his curly, blonde hair. This was a misnomer. The gold in Hornung has to be his toe and his ability to win the "money" games for Green Bay Packers.

The former Notre Dame star booted the defending National Football League champions into sole possession of first place in the Western Conference Sunday, kicking three field goals in a 9-7 victory over Detroit Lions.

As usual, he saved the best one for when it was needed—this time 33 seconds from the finish.

Washington Redskins also have that golden feeling today, having put together their first three-game winning streak since 1957 with a 20-14 decision over Los Angeles Rams that kept them in their lead in the Eastern Conference with a three-one win-loss record.

GIANTS WHIP CARDS

In other NFL games, New York Giants stayed hot on the trail of the Redskins with a 31-14 victory over St. Louis Cardinals, Cleveland Browns defeated Dallas Cowboys 19-10, San Francisco 49ers rolled over Baltimore Colts 21-13, and Chicago Bears shut out Minnesota Vikings 13-0. Pittsburgh Steelers won over Philadelphia yard line.

WORLD BRIEFS

LAST TROOPS LEAVE

VIENTIANE, Laos (Reuters) — United States military forces today completed their withdrawal from Laos less than 48 hours before the international deadline set for the departure of all foreign troops from the southeast Asian kingdom.

TOLL RISES

MADRID (AP) — Information Minister Manuel Fraga Iribarne reported Friday night that the latest casualty list in the floods disaster near Barcelona last week is 47 known dead and 30 missing.

THREE KILLED

SAIGON (Reuters) — A United States Marine Corps helicopter crashed early today near the South Vietnamese town of Quang Ngai, killing three Americans and injuring five, according to a military spokesman.

CASUALTY

TOULOUSE, France (AP) — Cellist Pablo Casals came down with a mild illness blamed on fatigue Friday. It was considered doubtful that he could go to Washington to see President Kennedy Oct. 10 as planned, associates said.

APPOINT NEGRO

WASHINGTON (AP) — The Senate Friday approved appointment of A. Leon Higginbotham, a Negro, as a member of the federal trade commission. A Philadelphia lawyer, Higginbotham is the first Negro named to a federal regulatory commission.

FILES SUIT

LOS ANGELES (AP) — Actor Edward G. Robinson Jr. filed a \$50,000 personal injury suit Friday against Michael Geisler, son of the late Hollywood attorney Gerry Geisler. The complaint stated that Robinson, son of Actor Edward G. Robinson, was injured last March 19 while a passenger in a car driven by Geisler and that Geisler was under the influence of alcohol and incapable of driving.

13 B.C. FATALITIES

Thanksgiving Weekend Toll From Moonlings' View

By THE CANADIAN PRESS

At least 60 persons were killed on Canadian roads during the weekend, one of the heaviest records for long week-ends in recent years.

It was the second worst record for any three-day holiday weekend since 1955. The only holiday weekend with a higher death toll was last month's Labor Day weekend, when 72 persons died on the roads.

The Canadian Highway Safety Council had predicted a toll of 50 for the Thanksgiving weekend.

Ontario had 29 road deaths and Quebec had 17. There were 11 in British Columbia, six in Alberta, two each in Manitoba and Nova Scotia and one in Prince Edward Island.

TOLL REACHES 16
In all, 16 persons lost their lives in accidents during the three-day holiday.

A Canadian Press survey from 6 p.m. local time Friday to midnight, Monday showed only Newfoundland, New Brunswick and Saskatchewan with fatality-free weekends.

There were four hunting mishaps, two in Manitoba and the others in Prince Edward Island and Alberta.

Two persons died in a Yukon plane crash and in Ontario a man was killed when he tried

to flag down a freight train.

There was an accidental shooting in Ontario and two persons died in falls, one in Ontario, the other in Quebec.

WORKMAN KILLED
Cecil Day, 38, of 100-Mile House, a highways department employee, was killed Friday night when a car crashed through a barrier and passed him against a truck standing on the road.

Mrs. Muriel Graham, 31, died Saturday night when her car struck a telephone pole in the Victoria suburb of Colwood.

Charles N. Harrison of Burnaby died Saturday when his car struck a telephone pole in the Victoria suburb of Colwood.

Michael Bowker, 13, was killed in a two-car crash Saturday night three miles south of Ladysmith.

30-FOOT PLUNGE
Joseph LaFrance, 25, of Coquitlam, was killed when a car plunged 300 feet off the Hope-Princeton highway Sunday.

Archer Davis, 61, a Grand Forks lawyer and former mayor of the Kootenay community, died when he was thrown from a car in an accident three miles east of Grand Forks.

Mrs. Maybell Gertrude Taylor, 65, of Victoria, was killed Sunday on the Malahat Highway 20 miles north of Victoria when two cars collided head-on.

Kenneth Larson, 16, of Esderby, was killed Monday when his car went out of control and plunged into the Shuswap River 30 miles north of Vernon.

Ormond Donald Bittneau, 42, a prisoner at Agassiz correctional work camp, was killed Sunday when a truck driven by

were killed when their sports camp official overturned on a

car rolled over and left the soft shoulder near Agassiz.

Associated Press Staff Writer

The earth is hazy—blue and white as it rises over the moon's horizon.

In the spacecraft three men watch the instruments and the image of the earth in a viewer. Tension fills the cockpit. It buries even the triumph of the moment. For only a few hours ago, two of these men stepped from an insect-shaped space-cab onto the surface of the moon, the first visitors from earth.

But now is their most dangerous moment.

The countdown clock ticks on. At one precise tick the rockets—already low on fuel—must fire, blast the spacecraft free of its moon orbit and hurtle it toward earth.

In a currency of minutes and fractions of minutes, even seconds of delay can buy death.

Below, half in sunlight, half in shadow, the earth serves its 3,000,000,000 people with crisp fall air, summer breezes, wrought? What is the promise

springtime. Beneath those clouds some 230,000 miles away are fireplaces and laughter, friends and falling leaves.

NO FANTASY
But on the moon an intense that knows no season grips the spacecraft and tries to reach the three warm, living creatures—intruders into the cold, lifeless dominion of space.

This is no longer cosmic strip-fantasy. It will happen, possibly five years from now. But what is equally improbable is that the space age began only five years ago next Thursday.

October 4, 1957, Russia fired a crude satellite around the earth—Sputnik I. Life on earth hasn't been the same since and won't ever be again. The road to the moon and beyond has had many turnings, will have many more but will never again turn back on itself. What have the last five years brought and
